

At Home Learning Grid!

Week 2 Monday 7 February - Friday 11 February

Here are your activities to complete this week

Weather Dance

Create a dance that incorporates at least three different types of extreme weathers (volcano, hurricane, tsunami, earthquake, tornado).

Dice Game > < =

Roll a dice to make to make 2 x 2 digit numbers. Then put them into a greater than (>), less than (<) or equal to (=) equation.

For example:

Alphabet Scavenger Hunt

Write a list A-Z and try and find things starting with each letter of the alphabet in your home.

For example:

A- apple

B- ball

C- can opener

Math word problems

Create 3 Math word problems and give it to somebody in your house to complete!

Eg: *Sasha bought 12 banana's and gave 4 to George, how many does Sasha have left?*

Comic Strip- A day in my life

Create a comic strip to that tells us what happens in a day in your life in your family. Add a sentence below each picture.

Create a map

Go on a walk with your family and take notes of the places that you see around you. Create a map showing where you walked and what places you passed.

Photo Album

For a part of the story you are reading create a detailed illustration (photo) that could go into a photo album. This will need to show who the characters are, where they are, and what is happening in the story.

Design A Garden

A garden is a rectangular shape. The measurement around the perimeter (the outside edge) is 28 metres. Draw what the garden plot might look like and write the measurements on each side.

Budding Photographer

Take photos of things that are all one colour. Take as many photos as you can of different items. Put your photos together into a document. Remember to title your work with the colour you have chosen.

Card Stack Challenge

Use a pack of cards to stack on top of each other. What shapes can you create? How many cards can you use before it collapses?

Word challenge

How many words can you make from the grid below?
Can you make a 9 letter word?

Maths activity sheet

Stretch your maths brain with the activities on the NZ Maths link below.
