## SPECTRUM ONLINE ACADEMY EXPECTATIONS:

---

Parents are expected to work alongside their child in a supportive role. We do believe you are an expert on your child and know what's best for them. We do not expect you to be an expert in the curriculum - that's our job.

Your role is to encourage, support and work with your child and Learning Coach to help us develop the best educational, personalised outcomes for your child.

Your child's age and independence level will depend on how much input you will give them at home. For younger children this may be 3-5\* hours a day, while secondary students may just be a 30min-1hour 'checkin each day with your child and Learning Coach.

## PLEASE ATTACH:

---

A copy of your child's last school report and your homeschooling exemption application (if you have already applied for it. )
